

Tewksbury Township PTA Teacher Grant Proposal Program

Teacher Grant Overview

The Tewksbury Township PTA is entertaining proposals from the Tewksbury Township Schools' teachers for the purpose of curriculum enrichment. Submitted grants may occur for an individual classroom, grade/team or school level basis. Grants will be awarded up to and not to exceed \$1000 per proposal and must provide information regarding how the money would be used to enhance student learning in a specific or integrated curricular area(s).

Special Note

Applicants should consider that the Tewksbury Township PTA cannot guarantee funds for program maintenance from year to year. Therefore, thought should be given to how the money can be used to purchase an item(s) that will not require sizable maintenance investments yearly.

Decisions

Proposals will be evaluated monthly by the Tewksbury Township PTA Executive Board and will be granted on a first come, first served basis. As a result of this evaluation process, the Tewksbury Township PTA Executive Board will make one of the following three decisions: (1) grant proposal approval for funding, (2) return the proposal with suggestions needed for resubmission or (3) reject the proposal.

Grant Proposal Form

Grant proposals must address all of the items listed in the grant proposal form. Please attach additional description/supportive documentation if necessary.

Grant Evaluation Form

Once a grant is approved and completed, an evaluation form must be completed and submitted to the Tewksbury Township PTA.

A Final Note

Funding for teacher grants results from the fundraising participation from the community through the Tewksbury Township PTA fundraising initiatives.

We wish you the best of luck and look forward to receiving and reviewing some exciting grant prospects.
